

AFTERNOON TEE™

“Driving women to success!”

What: Golf clinic and brunch or lunch

Objective: Offer professional development through golf lessons, foster networking among women, build camaraderie among colleagues, provide an opportunity to entertain clients and celebrate Women’s Golf Month.

Speaker: Woman or women in business (live stream)
Past topics have been accessing capital, networking, branding, building successful partnerships and navigating male dominated industries.

*73% of businesswomen golfers agreed that playing golf has helped them **build relationships** and **network for business**. Yet, **only 10%** of women in professional and managerial positions play golf.*
